

UNLEASHING THE POTENTIAL OF JAMAICAN YOUTH THROUGH EMPOWERMENT & TRAINING

WELCOME! IF YOU'RE READING THIS, YOU'RE ABOUT TO CONTRIBUTE TO JAMAICA'S DIGITAL TRANSFORMATION!

The **JET Project** empowers vulnerable youth aged 17-34 with in-demand digital, entrepreneurial, and life skills, preparing them to boost their MSME development through innovation, productivity, and fresh perspectives. With JET training, you can harness their potential in today's evolving business landscape. These enthusiastic and committed young talents are eager to learn and committed to becoming valuable assets for your team and business growth.

PROJECT OVERVIEW

We offer trainings thanks to the support of:

500+
YOUNG PEOPLE TRAINED IN CUTTING-EDGE DIGITAL AND SOFT SKILLS

including:

DOCUMENT PROCESSING & COMMUNICATION

DATA MANAGEMENT AND ANALYSIS

DIGITAL MARKETING AND SOCIAL MEDIA

WEBSITE DEVELOPMENT AND DESIGN

BUSINESS APP DEVELOPMENT AND MANAGEMENT

WHY PARTNER WITH

**COST-EFFECTIVE LABOR FOR
PROJECT-BASED TASKS**

**GAIN ACCESS TO INNOVATIVE
INSIGHTS / PERSPECTIVES**

**BUILD A TALENT PIPELINE
FOR FUTURE HIRES**

JET INTERN PARTNER PROFILE

To participate and hire from the JET Project's intern pool, your organization should be an **SME capable of offering meaningful tasks** for more than **20 hours per week**, whether in-person, remote, or hybrid, **for 1 to 3 months**.

You should also be able to provide a stipend of **\$JMD7,500/USD\$50 per week for a 40-hour week or more**, along with potential additional benefits such as workspace, equipment, meals, or transportation at your discretion. No industry-specific requirements exist; clear communication of tasks and deadlines for interns is the key.
